FROM THE MINISTER'S DESK.

THE WEEKLY MEDITATION.

SUNDAY 19TH — SATURDAY 25TH NOVEMBER, 2023.

THE THEME: A WOMAN OF EXCELLENCE

THE TEXT: PROVERBS 31:10 (LEB)

"A woman of excellence, who will find? For her worth (is) far more than precious jewels".

A woman of excellence is a rare gem. Her price is higher than rubies. Her value, inestimable. What a treasure to God Almighty, her household and the society at large. This is God's standard for the Christian woman.

King Solomon lists her attributes in Proverbs 31:10-20: she is a giant pillar of support to her husband, a blessing to him in all ramifications; a diligent and hardworking personality; family minded with a large compassionate heart always supporting the needy. What a treasure!

More than ever before, in times like this where the home, the Church and society at large face diverse kinds of challenges as prophesied about The Last Days (2Timothy 3:1); such women are greatly needed.

This brings to mind the life of great and virtuous women of old as Ruth the Moabites who sacrificed all, despite the demise of her husband, just to stay with her mother in law; respectfully submitting to all her instruction and caring for her. It is not a surprise therefore that she is one of the ancestors of our saviour Jesus Christ (Ruth 4:13 – 17, Mathew 1:1 -17).

Queen Esther is another. She counted her life of little value compared to the whole of the Israelite nation and was willing even to die for their sake. (Esther 4:16) In the new covenant, we had great women like Dorcas, Priscilla and Aquila. Honorable women they were, industrious, supportive to the kingdom business; humble and filled with overwhelming love for God, their families, friends and neighbours. These women of God is what our society lacks today and God is calling Christian mothers to take up the challenge like their predecessors of old as we support them with prayers and love, also not neglecting our roles.

Do have a glorious week.

Shalom, Shalom!!

The Minister.
